

Creating unforgettable florals for your special day

EFFLORESCENCE

floral architecture

Welcome to Efflorescence

Flowers do more than decorate a space, they tell your story.....

Hi, I'm Emma, the owner of Efflorescence. Based in Barrow-in-Furness, I travel throughout South Cumbria, the Lake District and beyond to deliver and style weddings. With 18 years of experience, it's truly the most rewarding job I could ask for.

Every wedding we create is thoughtfully designed to reflect your personality, style & vision. From romantic garden florals to comtemporary statement designs, we work closely with you to bring your ideas to life with creativity, care and attention to detail.

Booking Process

Firstly we book a consultation to go through all your ideas and requirements, we then send out a price guide and if your happy with the pricing we ask for a non refunadable deposit of £50 to secure your date, after this you can make changes up until 2 wks before your wedding as this is when all flowers are ordered in and the remaining balance is due one week before the wedding date. any queries or questions you may have along the way, we are always here to guide you though. When your Wedding day arrives we deliver your flowers and set up any styling thats needed, our aim is to make the whole process as relaxed for you as it can be so you can enjoy the finer moments.

Bridal Flowers

Your Bouquet is one of the most important personal details from your wedding day. From romantic bridal bouquets and bridemaids flowers to corsages, buttonholes and flower crowns, every design is created to compliment your style & colour palette.
